Dear Kevin:

On behalf of the leaders and staff of the National Community Pharmacists Association (NCPA), I am writing to express my sincere gratitude and appreciation for your significant contribution to the success of the recent NCPA Multiple Locations Pharmacy Conference in Rio Grande, Puerto Rico.

Your February 8th show was the highlight of the rain forest dinner at Coco Rio and one of the most well received aspects of the entire conference. The whole audience enjoyed the performance immensely, which was no small feat, especially with a such a diverse group. The evaluations completed on site were overwhelmingly positive, and I have heard nothing but the highest praise for your performance since the event, as well. In fact, some of the NCPA staff who were in Puerto Rico are still talking about your show!

Lastly, from my perspective as a professional meeting planner, you were a consummate professional in circumstances that I'm sure were not the easiest for you. It is obvious that you are a real expert at your craft, and I personally appreciate your support on site, both at the dinner as well as during the rest of the conference.

In short, it has been a real pleasure working with you, Kevin, and I look forward to working with you again in the future. Take good care in the meantime.

Warmest regards,
